Diane Ratkovich Joins Kathy Toth Team of Keller Williams Realty

Ann Arbor Buyers and Distressed Homeowners to Benefit from Agent's Expertise

Kathy Toth and Team REALTORS® announced today that Diane Ratkovich joined the Kathy Toth Team of Keller Williams. Diane Ratkovich holds Relocation Specialist and Senior Real Estate Specialist Designations. Diane has been a full time Realtor living in Ann Arbor with her two children since 1999.

Diane is assisting buyers and distressed homeowners with short sales in the Distressed Division.

"Historically, a percentage of the real estate market has consistently been in distress," said Ratkovich. "With the recent challenges in the subprime lending market, this percentage has grown exponentially. We feel it is important to acquire the specialized knowledge needed to assist home owners in need."

Toth suggests that owners in foreclosure or pre-foreclosure should seek out the services of experienced professionals to assess every option available, resulting in the best solution for their situation. For more information about short sales, contact Kathy Toth at (866) Own-This, or visit her website at www.KathyToth.com or www.AnnArborShortSale.com.

Diane is available to review 11 possible options for avoiding foreclosure and alternatives to preserve credit history. In addition, she is prepared to help buyers in pursuit of maximizing their home buying budgets through the often complex process of locating, evaluating, and purchasing a foreclosure or short sale property. To get a list of distressed properties, just email your request to info@KathyToth.com.
